Section 1 of 3

G6 Market (An Online Shopping Mobile Application) Figma Prototype SYSTEM USABILITY SCALE (SUS) Evaluation.

PART I. Consent Form

Consent Form
This study evaluates the usability of the G6 Market mobile shopping app prototype. You are invited to participate because your feedback will help assess its ease of use, design, navigation, and overall user experience.

If you agree, you will review and sign this form, use the app prototype, answer the System Usability Scale (SUS), and optionally give feedback. This will take about 10–15 minutes.

Participation is voluntary, and you may stop at any time. All responses are confidential and will only be used for academic purposes. No personal identity will be shared. There are no risks aside from the time involved. Your input will help improve the system for future users.
